

EYFS Pupils' e-safety agreement

Keeping me safe at home and at school

- I will check with a grown up before using the internet.
- I will tell a grown up if something I see makes me feel worried.
- If I get stuck or lost on the Internet I will ask for help.

We understand that your child is too young to give informed consent on his/her own; however, we feel it is good practice to involve them as much as possible in the decision making process, and believe a shared commitment is the most successful way to achieve this.

Parent's Consent

I have read and understood the e-safety agreement and give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. Children will receive advice on e-safety at school, advice for parents is available at www.thinkuknow.org.uk/parents or by contacting the school. I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials. I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-safety.

I will ensure that any pictures taken during school events that include other children will not be shared using social media.
