I will check with a grown up before using the internet.

I will tell a grown up if something I see makes me feel worried.

will ask for help.

If I get stuck or lost on the internet I

I can write polite and friendly messages to people I know.

I will keep my personal information, my name, address, my school, my pictures private and not share it on an App or website.

I will not bring mobile phones or tablets to school.

We understand that your child is too young to give informed consent on his/her own; however, we feel it is good practice to involve them as much as possible in the decision making process, and believe a shared commitment is the most successful way to achieve this.

Could you please sign the form below to confirm you have discussed this with your child.

Parent's Consent

I have discussed the e-safety contract with my child and they understand the rules they must follow in order to keep themselves and the school safe.

I give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials. I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-safety.

I will ensure that any pictures taken during school events that include other children will not be shared using social media.
