

## KS2 Pupils' e-safety agreement

### For my own personal safety – everywhere!

- I will ask permission from a member of staff before using the Internet at school.
- I am aware of “stranger danger” when online and will not meet online friends in real life.
- I will tell an adult about anything online which makes me feel uncomfortable.
- I will not try to bypass the system to reach websites or apps the school has blocked.
- I understand that the school may check my files and may monitor the web pages I visit.
- When in school, I will only contact people with my teachers permission.

- I will be very careful when sharing pictures or video of myself or my friends, if I am in school. I will always check with a teacher.
- I know that once a picture is shared it cannot be deleted – however silly or embarrassing it is.
- I will not put my “Personal Information” online. (My full name, birthday, phone number, address, postcode, school etc.)

### To keep the system safe

- I will only use my own login and password, which I will keep private.
- I will not access other people's files.
- I will not play games on a school device unless my teacher has given me permission.
- I will not install software on school devices.
- I will not use the system for gaming or uploading videos or music.

## Responsibility to others

- The messages I send will be polite and responsible.
- I will not upload images or videos of other people without their permission.
- Where work is copyrighted (including music, videos and images) I will not either download or share with others.
- I understand that the school may take action against me if I am involved in incidents of inappropriate behaviour wherever their location. If the activities are illegal, this may be reported to the police.

## Personal Devices

- The school cannot accept responsibility for loss or damage to personal devices.
- It is not permitted for pupils to use mobile phones during the school day. If permission has been given to bring phones to school, they must be switched off and handed to their teacher at the start of the day. These will be handed back to them at the end of the school day.
- Other devices should only be brought into school with permission from the head teacher.
- If concerned, the school has the right to check a device that has been brought into school to ensure that the content on the device is suitable for children. The child would be expected to unlock the device when asked.

### **Parent's Consent**

I have read and understood the e-safety agreement and give permission for my son/daughter to access the Internet at school, and will encourage them to abide by these rules. Children will receive advice on e-safety at school; advice for parents is available at [www.thinkuknow.org.uk/parents](http://www.thinkuknow.org.uk/parents) or by visiting the school website. I understand that the school will take reasonable precautions to ensure pupils cannot access inappropriate materials. I will encourage my child to adopt safe use of the internet and digital technologies at home and will inform the school if I have concerns over my child's e-safety.

I will ensure that any pictures taken during school events that include other children will not be shared using social media.
