Design & Technology Week July 2018

24.05.18

Dear Parents,

To kick start our D&T week on Monday 9th July we are planning to hold

● A Drone Art Attack !

We are inviting the children to become a human pixel and help form an amazing piece of art work. They will wear a coloured T-shirt and a drone will take an aerial view of all the school in formation of a pit wheel at sunset. Each class has been allocated a different colour to wear:

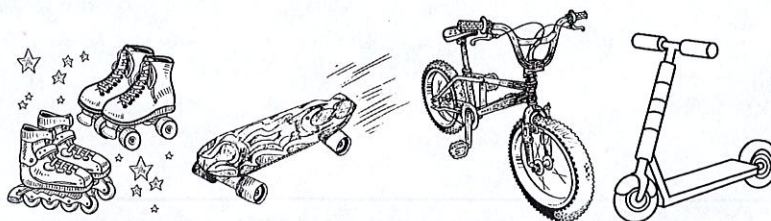

(Could you please ensure your child comes to school wearing their designated colour).

EYFS -	shades of blue (school uniform or P.E. are fine)
Redacre -	yellow, red, pink or orange T-shirt
Fleetrock -	yellow, red, pink or orange T-shirt
Featherbed -	yellow, red, pink or orange T-shirt

Milbanke -	purple, green or dark blue T-shirt
Vane Tempest -	purple, green or dark blue T-shirt
● Byron -	white T-shirt
George Elmy -	black T-shirt
Elliot Gala -	black T-shirt

On the afternoon there will be our 'Bling your Wheels' parade, where all the children will be able to show off their creative designs for their skates, scooters, skateboards and bikes (*Please no Segways or electric scooters*).

The School Council will judge the winning designs.

Thank you for your co-operation & be creative over the holidays!

Mrs Wilkinson
