Dear Parent,

Over the past year our Key Stage 2 children have been given the opportunity to access the '100 books for Key Stage 2', as recommended by Pie Corbett. This has been a tremendous success in helping develop and nurture a real love of reading in our older children.

We are now seeking to provide the same experience for our younger children by furnishing our library with the '100 recommended books for Key Stage 1.' As I am sure you will appreciate, this is a huge financial investment for the school. We are, therefore, asking for your help! Do you already have a copy of one of these books at home or would you be willing to buy one to donate? If so, we would be very grateful for your support in helping a wealth of reading resources to help engage and inspire our Key Stage 1 children,

Many thanks in anticipation of your support,

Mrs J Robson

(Literacy co-ordinator)
