

Reception Activities - Tuesday 14th July

Happy Tuesday boys and girls! I hope you enjoyed yesterday's activities. Today we are continuing our Literacy from yesterday, still thinking all about you!

So, here are today's jobs for you to keep your brains and hands busy:

Literacy: Today we are still thinking about ourselves, completing our 'All about Me' sheet.

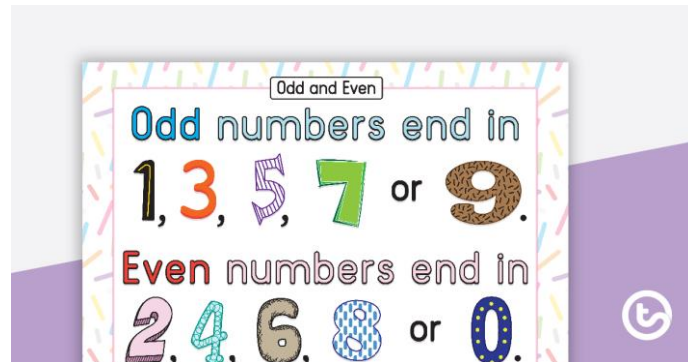

<u>Name</u>		<u>All about me!</u>		<u>Age</u>	
<u>Me</u> (Draw a picture)				<u>Area of the classroom</u>	
<u>Animal</u>		<u>Colour</u>		<u>When I grow up</u>	
				<u>Friend</u>	

Yesterday I wrote about my friend, my favourite animal and my favourite colour. Today I am choosing to write my name, draw a picture of myself, (I know yours will be better!) and to write my age - 21 again!! Can you write these in full sentences using the sounds you have learnt?

Eg My name is Misis Robsn

Also today I would like you to look at the red words in your book. How many of them can you read independently? How many could you write independently without looking at the word?

Maths: This week we have been re-capping some work we have done previously. Today I would like to spot 10 numbers on the 100 square and write them down. Now think about the work we have done on odd and even numbers. Can you remember what an even number ends in? An odd number? Divide your list into odd and even. Super job!

1	2	3	4	5	6	7	8	9	10

Story Time: Today's choice for story is another favourite, 'The Very Hungry Caterpillar'. I know how much you all enjoy this one:

Today's Activity: Today's activity is another 'All about Me' activity. I would like you to make a 3D model of yourself. Feel free to use anything you want - sand, play dough, junk modelling, blocks or Lego.

Don't forget we're missing you all so much!

Lots of love, Mrs Robson, Mrs Taylor & Mrs Woods xxxxx
