

## Year 2 Activities

Wednesday 15<sup>th</sup> July

Good morning our brilliant Year 2 children, we hope you enjoyed the science yesterday!

Did you pick up the ice cubes?

### Maths:

We've set some tasks for you to do on [www.mymaths.co.uk](http://www.mymaths.co.uk)

You can complete these at your own pace.

Visit <https://whiterosemaths.com/homelearning/year-2/>

### **Do Summer term week 11**

Watch the video and complete the tasks below.

#### O'clock and half past

1 Match the clocks to the times.

7 o'clock

3 o'clock

12 o'clock

10 o'clock

Complete the sentence.

At o'clock, the minute hand points to

2 Match the clocks to the times.

half past 4

half past 1

half past 9

half past 6

Complete the sentence.

At half past, the minute hand points to

3 Write the time shown on each clock.  
Use the word bank to help you.

o'clock      half past

4 Draw hands to show the time on each clock.

half past 11

half past 3

4 o'clock

1 o'clock

5 Circle to show whether each sentence is true or false.

a) The clock shows 6 o'clock.

true      false

b) The clock shows half past 10

true      false

c) The clock shows half past 12

true      false

Compare answers with a partner.

**English:**

Remember to check your Spag.com work

Your log on & passwords are in the front of your Homework books.

Usually at this time of the school year we have our Summer Fayre- can you help us find some of the stalls that we may have had if the whole school was open?

In the WORDSEARCH the answers are diagonal, vertical and horizontal.

prize  
candy floss  
ice cream

## P.E. & Exercise:

### Standing Long Jump Home Physical Education

#### How to play:

- Place a starting marker on the floor.
- Stand beside the starting marker on two feet, how far can you jump landing balanced on 2 feet?
- Challenge a partner to see who can jump the furthest.
- If you have space, place down a marker at 8.31m, the distance Greg Rutherford jumped to win a gold medal in 2012. How many jumps does it take to jump that distance?

Can you focus on your technique and concentrate on your landing?

Can you keep trying even if you miss the target?

#### Top Tips

##### Jumping Further

Keep your head up, swing your arms and bend your knees when you land.

#### Let's Reflect

What did you learn after each jump?

How did you keep focused?

## Geography & History:

### Our Awesome Oceans

<https://www.bbc.co.uk/programmes/moookl35>

Ellie Simmonds OBE presents a special geography lesson on the world's oceans, discussing the danger they are in from plastic pollution and what we can do to help protect them.

*Love, smiles and hugs from Mrs Sharp, Mrs Thompson & Mrs Wilkinson x x x*
