

# Early Years Homework Menu

## Autumn 1 2022

Dear Grown-up,

Please select one task each week to be completed and returned each Wednesday. Please write a brief comment and the date completed below to let us know how your child managed/enjoyed this. Please encourage your child to be as independent as possible with these tasks, therefore, prioritise tasks they can complete by themselves. Many thanks!

Homework Task	Date Completed
Write numbers in order, 0-10, with a pencil, with paint, in the sand etc.	
Draw a picture of yourself including head, body, legs, arms, hair, eyes, ears, nose, mouth, hands and feet!	
Write your name 5 times using correct formation for each sound.	
Go on a shape hunt at home and in the local area to spot a triangle, circle, square and rectangle. Perhaps you could draw them or take photos of where you spotted them?	
Draw a picture of everyone who lives in your home, pets included! Can you label it with people's names?	
To make a 3D model of yourself – this could be with junk recycling, salt or play dough, lego, blocks etc.
